Employees exempted from the punching system will be required to maintain physical attendance register which will be approved and monitored by their respective reporting authorities. Conditions in GOs under reference should be strictly adhered to while availing exemption.

As per Government Order G.O.(Rt) No. 3253/2023/GAD dated 14-07-2023, when preparing salary bills for employees working outside normal office hours or on a shift basis (ie, PTS, nightwatchman etc), these employees may temporarily be excluded from the process of preparing salary bills based on attendance recorded in SPARK, provided that attendance statements are physically submitted to the DDOs and leaves are regularized through the SPARK system based on these statements. Once the dedicated module for this purpose is developed in SPARK, shift employees shall also be included in the said system. However, it is mandatory for these employees to record their biometric punch-in and punch-out whenever they arrive at and depart from the office.

This order will be reviewed periodically and may be amended as necessary to reflect changes in government policies and orders

CHIEF ENGINEER
